(written by Jo Lloyd/Jo Honeytrap)

There's a part of me i know
That longs to do something right
Do you think im all right baby
Cos here i go
I always knew i'd be nothing without you
Am i strong enough to give
Do i want to
What's the matter with me
With my little (face?) (3x)
What's the matter with you
Is it so hard for you to see
That im trying
Im trying to be strong
For you and me
That im trying
Im giving it all
To you and me
And im trying
To be it all
To you and me
Im trying....im trying
There's a part of me i know
That longs to do something good
Am i good enough my baby
Stealing love is not meant for me
But it's the only thing i see
Is it good to feel
What's the matter with me
With my little (face?) (3x)
What's the matter with you
Is it so hard for you to see
That im trying
Im trying to be strong
For you and me
Im trying
Im giving it all
To you and me
That im trying
Trying to be it all

To you and me
That im trying
Im trying...
What's the matter with me
With my little (face?) (3x)
What's the matter with you
Is it so hard for you to see
That im trying
Trying to be strong
For you and me
Im trying
Im giving it all
To you and me
That im trying
Im trying it all
For you and me
That im trying
Im trying
