[Dr. Ama] Down to pull a ratchet out, clobber nigga
quick fast Pistol whip him, crush his mid-ass, give him
whiplash Down with a goon squad that's down to
getting quick cash Down to put these beats on your
man with his bitch ass [Block McCloud] I gets down and
dirty, dirty, I gets down Ain't doubt the kings, but still
get down for my crown And I be down and knock a
clown ass, nigga off his stilt I'm down to earth but still
make a mountain out a molehill I'm so ill, I'm down
there, under the weather I'm down to bring the heat,
like a coat filled with feathers I'm down to fucking
scrap, down to bust my gat The only time you gets
down, is when your frame touch the map [Dr. Ama] A
warmonger, gun sponsor, no contest, so bonkers
Benini, that's me, shoot thug, no apology Quick clip
bitch, lose the purse, toss the wallaby Game tight like a
crisp cream pair of Pradas be [Blackk Starr] I see
things from the bottom up, won't ever catch me looking
down See the problem punks, too many bitch niggas
around Jacks wising up, they wanna keep you with a
frown Keep you with a pound, hoping you lay niggas
down G's rhyme rough, that's the trey to this life he
chose That's the pay to this knife we hold Play brave for
this life I hold, look Kev don't fold Get stuck fold,
nigga, Kev gon' roll In the past some men praised me
domes, my time perfected So when I spaz, better leave
with some hoes You wanna dance, you see the shuffle
before, but there go the flow You swore it's a two-step
with the four [Dr. Ama] A beast on these streets, these
words through mechanisms The amplified sound like
when I pound the wisdom Beef? I keep heat and I'm
down to get 'em Street sweeper, more down, every
clown he got with him Straight cheese, you can't
escape these, spread like scavees No if's, ands and
maybes, baby baby's grown now Coming for the throne
now, gunning for your dome, now Strictly, nobody
shots, gangstas are you with me Yessir, I ride certified
G, they heard about me 4, 6 niggas gunning, murder
about three
