Visit "[Breakfast For Champions](#)" on [MotoLyrics.com](#)

I'm sitting down to a breakfast for champions
Vodka and eggs, with my whiskey and aspirin
It's another day in my life but it's not like the rest of
them

'Cos last night I got drunk on love, it was ecstasy
But I was thinking it won't be the end of me
I'm not counting on you, I'm counting a lot on me

And when you say change
Well, I won't change when you say stay

Well, here I go again out here on my own
I don't need anything, I don't need anyone
And here I go again, I'm on my way
And I know you won't find me
I've been around the whole world in one day

Lend me the words and I'll whisper a story
Of a confident girl, a queen and her glory
Who found you a heart but lost her own head in the end

And when you say change
Well, I won't change when you say stay

And here I go again out here on my own
I don't need anything, I don't need anyone
And here I go again, I'm on my way
And I know you won't find me
I went around the whole world in one day

I'd give it up, I'd give enough but you would just forget
me
I'd get ahead, I'd catch you up as if you'd ever let me
So in the end I figured out how to do it my own way
Baby, here I go again

And when you say change
Well, I won't change when you say stay

Well, here I go again out here on my own
I don't need anything, I don't need anyone

And here I go again, I'm on my way
And I know you won't find me
I went around the whole world in one day
