

## Stretch Princess "Sorry"

Visit "[Sorry](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You can say you're sorry  
Still you know that it won't change a thing  
While I'm here, I'll love you still bigger  
But it's too late for me

Girls like you, I'd like to, but I guess I don't  
Oh, I owe it to me  
Lets spend the weekend on our own  
Trying to get it right

When you're high, I'm down on you  
When you're gone, I'm around for you  
What you need, I've heard it all before  
And true, it's the same thing

You can say forever  
Still you know that it won't mean a thing  
I guess I tried to love you, still it's better when  
Some things stay the same

Girls like you, I'd like to, but I guess I don't  
Oh, I owe it to me  
Lets spend the weekend on our own  
Trying to get it right

When you're high, I'm down on you  
When you're gone, I'm around for you  
What you need, I've heard it all before  
And true, it's the same thing

There's just a better view  
Let's spend the weekend on our own  
Just spend the weekend on our own  
Trying to get it right

When you're high, I'm down on you  
When you're gone, I'm around for you  
What you need, I've heard it all before  
And true, it's the same thing

There's just a better view  
It's just the same thing,

There's just a better view [unverified]
