Sometimes at the back of my mind
There's space for you
I belong to nowhere more
Than you want me to

It's not such a beautiful thing
You tell me again
But it's the end of a universe

You love the idea
Of you and me here
(Say, you said so)
Do what you will

Always say what you feel
(Say, you said so)
(You can't have everything)
(You can't have everything)

Sometimes when you think of me
Do I get there too soon?
I'm closer now to nowhere
More than you think I deserve to

It's not such a beautiful thing
You tell me again
But it's the end of a universe

You love the idea
Of you and me here
(Say, you said so)
Do what you will

Always say what you feel
(Save yourself)
(You can't have everything)
(You can't have everything)
