Broken and left for dead  
I had to change my path  
refuse to ever give in  
I will not be defeated  
I will rise form this place  
Gainging strength  
Rise from this pain  
Rise to the truth  
Acknowledge rebuild  
closer to you  
broken and left for dead  
I had to change my path and I refuse to ever give in  
I will not be defeated  
I will rise from this place  
Gaining strength  
Rise from the pain  
To the truth  
Acknowledge  
Rebuild  
Closer to you  
Closer to you  
Rise from the pain  
Rise again
