Oh every night I pace the hall
Just waiting for your call
Anticipating your next move

Is go me bouncing off the walls
But all my beautiful calculations
Seem to be full of limitations
You see, cause in the end
Don't yo know it's not up to me

And everything is in it's space
Time has stopped here in this place
My bag's packed by the door
Most every things are gathered for tonight
I'm waiting on a word from you
Making it turn out right

And everything is in it's space
Time has stopped here in this place
I'm holding on, spinning round this Universe
My head is turning, I'm a...
And all the world around me, and how it's shaped

Oh, oh, oh
Round and round we go
Oh- ohe ohe
Can't wait another day

You got me...
It doesn't have to be this complicated girl
Time is now
You know how, so come on and rock this world

Everything is in it's space
Time has stopped here in this place
I'm holding on, spinning round this Universe
My head is turning, I'm a...
And all the world around me, and how it's shaWed

Oh, oh, oh
Round and round we go

Oh- ohe ohe
Can't wait another day

Oh, oh, oh
Round and round we go
Oh- ohe ohe
Can't wait another day
Can't wait another day

Oh, oh, oh
Round and round we go
Oh, oh, oh
Round and round we go
Oh- ohe ohe
Can't wait another day

Oh, oh, oh
Round and round we go
Oh, oh, oh
Round and round we go
Oh- ohe ohe
Can't wait another day

Oh, oh, oh
Round and round we go
