T-H mutha fuckin' C [THC]

We just begun [THC] [THC]

[Ren]

I smoke big fader

Keep away from fakers

Fuck wit Grandma yay

Only deal wit the majors

Tetro hydro canibus lawn

Best green you ever saw

Have yo ass off the wall

Breakin' every man-made law

Before you walk you must crawl

Hell naw I run this shit

Break yo mutha fuckin' back

Stomp a mudhole in yo bitch

So you betta watch yo lips

You betta watch yo step

Cuz the Doja Klik is back

The Heat Monsta ain't done yet

Get yo California greens

Fill a bong

Clean yo screens

Or roll up a Mexi-Cali

And blaze up for the team

Cuz we must unite and fight

For our right to smoke weed
