Time bomb  
You're like a time bomb...

I keep your picture in my head  
So that I will never forget  
What I need and how to love myself

Step on a minefield to get to you  
Never know what you're gonna do  
I never want to feel that way again

You're like a time bomb  
Time bomb  
You're like a time bomb  
Time bomb

You're like a time bomb  
You're like a time bomb  
Time bomb  
You're like a time bomb

Without a warning, without a clue  
I wake up lying next to you  
I wonder why I keep making my same mistake

It's like a cruel trick that you're playing on me  
Every time I try to break free  
You keep me hanging, hanging on a string

You're like a time bomb  
Time bomb  
You're like a time bomb  
Time bomb

You're like a time bomb  
Time bomb  
Time bomb

Time bomb.
