Hold what you've got, I'm coming home baby.  
Hold what you've got and I don't mean maybe.  
Been thinking about you and I'm on my way.  
Don't sell the house, don't wreck the car.  
Stay there honey, right where you are.  
Hold what you've got, I'm coming home to stay.

In my mind, I can see it's a mighty good sign now that I  
need,  
That's why I can't wait to get back home.  
So squeeze yourself real good and tight and I'll be  
home before  
daylight.  
If you hold what you've got I'm coming home to stay.

#### CHORUS

When I get back, baby I ain't leavin', been too lonely,  
little, too much grievin'.  
When I get back, this time I'm going to stay.  
We won't fuss, we won't fight, this time things are  
going  
to be alright.  
So hold what you've got I'm coming home to stay.

#### CHORUS

#### JAM

#### CHORUS
