Get down boys, go back home  
Back to the girls you love  
Treat her right, never wrong  
How mountain girls can love

Riding tonight in the high cold wind  
On the trail of the old lonesome pine  
Thinking of you and feeling so blue  
Wondering why I left you behind

Get down boys, go back home  
Back to the girls you love  
Treat her right, never wrong  
How mountain girls can love

Remember the night when we strolled down the lane  
Our hearts were so gay and happy then  
You whispered to me as I held you close  
We hoped that night would never end

So, get down boys, go back home  
Back to the girls you love  
Treat her right, never wrong  
How mountain girls can love

Get down boys, go back home  
Back to the girls you love  
Treat her right, never wrong  
How mountain girls can love
