Wine box man is broken down  
Guilt trip cocktail, thorny crown  
Rosy glasses they see just right  
Softening the choices of crash or flight

Frowning suit man keeping time  
Closed an eye to nature's rhyme  
Hopes a mint will save his breath  
Got an elevator speech for Mr. Death

Swampy waters seem so warm  
Simming with the devil to the candy store

Somewhere angels are frowning, but I need a good  
dream, as good as it gets  
Don't touch me, I'm still expanding, just one more  
bullet for my Russian roulette

Crack boy loads his mojo kit,  
Flicks the light and takes a hit  
Cuz early to rise and early to bed  
Makes one healthy, rich, and dead

Ken has got another doll  
Broke the last one, broke them all  
When they learn to laugh again  
Come and pulls the velvet chain

Swampy waters seem so warm  
Simming with the devil to the candy store

Somewhere angels are frowning, but I need a good  
dream, as good as it gets  
Don't touch me, I'm still expanding, just one more  
bullet for my Russian roulette

Like a handle in the hand  
A ticket to whatever land  
Get yourself a holy cow  
Cancel any time but now

Somewhere angels are frowning, but I need a good

dream, as good as it gets  
Don't touch me, I'm still expanding, just one more  
bullet for my Russian roulette
