THIS IS ALL WE NEED
OH

Watch as we waste away
with everything we created

And maybe this is all we need
this chance to make you understand (understand
that this is how we live
youll never understand (you dont understand)
your like a gun to my head

Watch as we waste away
with everything we created

And maybe this is all we need
this chance to make you understand (understand
that this is how we live
youll never understand (you dont understand)
your like a gun to my head

I TOOK THE PLANE TRIP
AND PRAYED MY PLANE WOULD CRASH
I TOOK THE PLANE TRIP
AND PRAYED MY PLANE WOULD CRASH

And maybe this is all we need
this chance to make you understand (understand
that this is how we live
youll never understand (you dont understand)
your like a gun to my head

Maybe when we start to fall
a thousand feet or more
youll realise you did this to us
wheres the trust

Maybe when we start to fall
a thousand feet or more
youll realise you did this to us
wheres the trust
