She just sits there
staring blankly
at the sheets
theyre creased from where he lay

Noone in the world
can save her from herself
noone in the world would even fucking help
she could never trust anyone other than him and she
says

I dont wanna do this anymore
blood on the carpet me on the floor
love is so fucking scene
you will not die with me

She just sits there
staring blankly
at the sheets
theyre creased from his last day

Noone in the world
can save her from herself
all the drugs she took will never fucking hell
she could never use anyone other than him and she
says

I dont wanna do this anymore
blood on the carpet me on the floor
love is so fucking scene
you will not die with me

I dont wanna do this anymore
blood on the carpet me on the floor
love is so fucking scene
you will not die with me

All the promises you made
All the lies you told

IM FEELING

SO ALONE
SO I TAKE THIS BLADE
AND PUT IT TO MY THROAT

IM FEELING
SO ALONE
SO I TAKE THIS BLADE
AND PUT IT TO MY THROAT
