Last night, she said
'Oh, baby
I feel so down
Oh it turns me off
When I feel left out'
So I walked out
'Little girl
I don't care no more
I know this for sure
I'm walking out that door'

Well, I've been in town
For just now fifteen minutes now
And baby, I feel so down
And I don't know why
I keep walkin' for miles

And people
They don't understand
No, girlfriends
They can't understand
Your grandsons
They won't understand
On top of this
I ain't ever gonna understand

Last night, she said
'Oh, baby
Don't feel so down
Oh, it turns me off

When I feel left out'

So I, I turned around
'Oh, baby
Gonna be all right'
It was a great big lie
'Cause I left
That night, yeah

Oh it's alright, baby

Yeah

And people
They don't understand
No, girlfriends
They can't understand
In spaceships
They won't understand
And on top of this
Ain't ever gonna understand

Last night, she said
'Oh, baby
Don't feel so down
Oh, it turns me off
When I feel left out'

So I turned around
'Little girl
I don't care no more
I know this for sure
I'm walking out that door'
