I know it, it's a shame  
a shame i can't show it  
and i see it, i can see it now  
but i'm so far below it  
and i believe you, yes i do  
the things that you say are so true  
and i, well i trust you,  
thought i could trust you now  
in everything that you do  
don't wanna, don't wanna talk about it  
i say why not  
don't wanna think about it  
i say there's got  
to be some good reason  
for your little black backpack  
up, smack, turnaround he's on his back  
don't want to tango with you  
i'd rather tangle with him  
i wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your

bloody black backpack back

i feel you, yes i can

what about that don't you understand

and i sense you, its something sensual

but its less than i planned

don't wanna, don't wanna talk about it

i say why not

don't wanna think about it

i say there's got

to be some good reason

for your little black backpack

up, smack, turnaround he's on his back

don't want to tango with you

i'd rather tangle with him

i wanna smash his fucking head in

and this shouldn't concern you except that

just don't expect to get your

bloody black backpack back

not gonna get it back

no, no, no

aw, no, no, no

not gonna get it back

no, no

there you go

aw baby, no, no, no

don't wanna, don't wanna talk about it

i say why not  
don't wanna think about it  
i say there's got  
to be some good reason  
for your little black backpack  
up, smack, turnaround he's on his back  
don't want to tango with you  
i'd rather tangle with him  
i wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your  
bloody black backpack back  
don't want to tango with you  
i'd rather tangle with him  
I wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your  
bloody black backpack back
