Can't take back the things I said
'Cause I won't ever forget
The one thing that I can say
I won't lie to your face that I'm never coming back
I tear the pages from this book
(I tear the pages from this book)
I can't steal back the love you took
(I can't steal back my love)

As time slips by
The sun sets on this heart of mine
And it's beating this time

Another night, you go away
But in my dreams, you always stay
I hold you close, until we crash
You whisper in my ear
It's all the same things you said in the past
I tear the pages from this book
(I tear the pages from this book)
I can't steal back the love you took
(I can't steal back my love)

As time slips by
The sun sets on this heart of mine
And it's beating this time
I swear, I'll wake up in another frame
Of mind
I see the wheels are turning on
Behind your eyes
I can't remember the last time
I saw you cry

I tear the pages from this book
I can't steal back the love you took
As time slips by
The sun sets on this heart of mine
And it's beating this time
I swear, I'll wake up in another frame
Of mind
Next time
