This I'll admit
You are a wonder
Blind to my kind
Won't know my name

And I would give up
My world to meet you
Just can't come up
Don't know the way

I'm losing air
Don't know which way is up
I'm losing air
Please tell me which way is up

You always laugh
Why such combat?
I try and fall flat
They're watching me

And if I come out
And say who needs you
Who will believe
It came from me?

I'm losing air
Don't know which way is up
I'm losing air
Please tell me which way is up

This I'll admit
You are a wonder
Blind to my kind
Won't know my name

My mind is made up
I'll climb Mt.Everest
Just can't come up
Don't know the way

I'm losing air
Don't know which way is up

I'm losing air
Please tell me which way is up
