I sing you this song,  
To let you see,  
Whatever became of me.  
This summer I will wait under your cherry tree,  
Just to hear wonderful, from you.

I sing you these words,  
So you can hear,  
I know what I am behind the ears.  
And if you could once just for once reappear,  
And let me hear wonderful, from you.

I fall, I crawl, to pull you up.  
I sleep for years to wake you up.  
All the world can tell we're together, yeah,  
Woah woah woah,  
It's Superman.

I stand from afar,  
Blow clouds away.  
No L.A. traffic, just Milky Way.  
And yes I will wait for the day that you say,  
This is all wonderful, need to hear wonderful from you.

I fall, I crawl, to pull you up.  
I sleep for years to wake you up.  
All the world can tell we're together, yeah,  
Woah woah woah,  
It's Superman.

Start-

Yes, I can fight, I can fight, yes, yes,  
I can fight, I can fight, I can fight,  
Oh tell me now.

I fall, I crawl, to pull you up.  
I sleep for years to wake you up.  
All the world can tell we're together, yeah,

I fall, I crawl, to pull you up.

I sleep for years to wake you up.  
All the world can tell we're together, yeah,  
Woah woah woah.
