talk to me now im older  
yer friends'll do cuz i told her  
friday nite's a bit lonely  
change yer plans and then phone me

we could go and get forties  
fuck goin to that party  
oh really the folks are away now  
alright lets go you convinced me

12:51 is the time my voice  
found the words i sought  
is it this stage i want  
the world is shutting out, for us  
oh we were tense for sure but we was confident

kiss me now that im older  
i wont try to control ya  
friday nite's a bit lonely  
take it slow but dont warn me

we'd go out and get forties  
then we'd go to some party  
oh really the folks are away now  
alright im comin, ill be right there
