Wait time is the worst  
I can hardly sit  
No one has the time  
Someone is always late

I look for you  
And you look for me

I don't know why I came down  
I hold your phone, don't wake up  
I hear a voice in the ground

Tell me, don't tell me  
The hard part is telling me  
Something that you are not likely to tell him

Tell me, don't tell me  
The hard part is telling me  
Something that you are not likely to tell him

Wait time is to blame  
I thought fame was a trip  
We all have the time  
Someone is always feared

I look for you  
And you look away

I don't know why I came down  
I hold your phone, don't wake up  
I hear a voice in the ground

Waiting up is so much fun to do  
(Tell me, don't tell me)  
(The hard part is telling me)  
(Something that you are not likely to tell him)

And it is moving, make a point with you  
(Tell me, don't tell me)  
(The hard part is telling me)  
(Something that you are not likely to tell him)
