Everybody sees me
But its not that easy
Standing in the lightfield
Standing in the lightfield
Waiting for some action
Waiting for some action
Why wont you come over here

Why wont you come over here
We've got a city to love
Why wont you come over here
We've got a city to love

Old time grudges
Will die so slowly
I know you miss the
Way I saw you
And cold
You're so cold
You're so cold
You're so cold

Nobody can see me
Everythings too easy
Standing in the lightfield
Standing in the lightfield
Waiting for some actress

Waiting for some actress
To say
Why wont you come over here

Why wont you come over here
We've got a city to love
Why wont you come over here
We've got a city to love

Old time love song
Will die so swiftly
You never trust me
For a while
It was nice

But its time to say bye

Cold

You're so cold

You're so cold

You're so cold

NO NO NO

You're so cold

You're so cold

You're so cold

NO NO NO NO

You're so cold

You're so cold

You're so cold

Oh

You're so cold
