Last night she said
"Oh, baby, I feel so down"
Oh and turned me off
When I feel left out

So I, I turned around
Oh, baby, I don't care no more
I know this for sure
I'm walking out that door

Well, I've been in town
For just about fifteen
Whole minutes now

Oh, baby, I feel so down
And I don't know why
I keep walking for miles

But the people
They don't understand
No, girlfriends
They can't understand

Your grandsons
They won't understand
On top of this
I ain't ever gonna understand

Last night she said
"Oh, baby, don't feel so down"
Oh and turned me off
When I feel left out

So I, I turned around
Oh, baby, gonna be alright
It was a great big lie
'Cause I left that night, yeah

Oh, people
They don't understand
No, girlfriends
They don't understand

In spaceships
They won't understand
And me
I ain't ever gonna understand

Last night she said
"Oh, baby, I feel so down"
She had turned me off
When I feel left out

So I, I turned around
Oh, little girl, I don't care no more
I know this for sure
I'm walking out that door, yeah
