In at the top of the tower  
It was a water hour  
I wont be back and it's just over there  
Knowing something else, i  
Reacted to the owner  
The only thing i'd seen with my eyes  
She said

Run Run Run!!  
As fast as you can run or you walk  
They give you all so much because your outta luck  
Well didn't you know i was yours?

I'm goin on my way  
Yeah  
I'm tired of all the ends  
All the ends ends ends  
And she protects us all in the end  
And i said  
I'm stuck, but i can walk to work! oh yah!

Im bringin down on tuesday  
Wednesday, i pay for it  
I gave it up  
To what i said  
Leave me in peace  
He said

Run Run Run!!  
As fast as you can run or you can walk  
She give you oh so much because your outta luck  
Run Run Run!!  
But don't you even know that Im yours

Im tired... all the ends  
All the ends  
Bringing back to my thumb  
When i said i was right  
But she protects her son standing right there  
On the edge  
And now it's tough

But i go out to work  
To put bread on the table
