One by one, ticking time bombs won
It's not the secret of the government
That's keeping you dumb
Oh, it's the other way around - wait...
What's that sound?
One by one, baby, here they come.

He wants it easy; he want it relaxed
Said I can do alot of things, but I can't do that
Two steps forward, then three steps back
...Alright

"Won't you take a walk outside?"
-Oh no.
"Can't you find some other guy?"
-Oh no.
"1 9 6 9 what's that sound?"
-Oh no.
Keeping down the underground

Oh no...

The end has no end the end has no end

The end has no end the end has no end

He want it easy; he want it relaxed
Said I can do alot of things, but I can't do that
Two steps forward, then three steps back
It won't be easy

"Won't you take a walk outside?"
-Oh no.
"Can't you find some other guy?"
-Oh no.
"1 9 6 3 what's that sound?"
-Oh no.
Keeping down the underground

Oh no...

The end has no end the end has no end

The end has no end the end has no end
The end has no end the end has no end
The end has no end the end has no end...
