Up on a hill is where we begin  
This little story a long time ago  
Stop to pretend, stop pretending  
It seems this game is simply never-ending  
Oh, in the sun, sun having fun  
It's in my blood  
I just can't help it  
Don't want you here right now  
Let me go, oh, let me g-g-g-g-g-g-go

Leavin' just in time  
Stay there for a while  
Rolling in the ocean  
Trying to catch her eye  
Work hard and say it's easy  
Do it just to please me  
Tomorrow will be different  
So I'll pretend I'm leaving

Our fears are different here

We train in A-V-A  
I wish you hadn't stayed  
My vision's clearer now, but I'm unafraid  
Flying overseas, no time to feel the breeze  
I took too many varieties  
Oh, in the sun, sun having fun  
It's in my blood  
I just can't help it  
Don't want you here right now  
Let me go  
Darling let me g-g-g-g-g-g-go

Leaving just in time  
Staying for a while  
Rolling in the ocean  
Trying to catch her eye  
Work hard and say it's easy  
Do it just to please me  
Tomorrow will be different  
So this is why I'm leaving
