p.s. if I may ask why
when will we be tryin
we stayed up all night
tryin tryin

I see them and they see me
why weren't they inspired
yes I know that maybe we don't
listen listen

I never needed anybody
I never needed anybody
I never needed anybody
I never needed anybody
don't worry bout it honey
I never needed anybody
I never needed anybody

he's lyin I say things that's why
listen in doubt
cause with the wrong girl it's hard
give them their cause

(Solo- Nick)

thinkin' bout their high school days
worry bout no finals
yes I know
and baby we won't
give up give up

stop

talkin in their trends of old
yes I start the fire
whoa oa oa
oh baby we won't
listen listen

I never needed anybody
I never needed anybody

I never needed anybody
I never needed anybody
don't worry bout it honey
I never needed anybody
I never needed anybody

he's lyin I say
fate changes life
give them a chance
cause with the old men it's gone
girls try to hard

this is the night
