Stepped out my house wit some Daniel Greens on
House wit Versace and shit but I just throw some jeans
on
Picked up my phone, called my niggas but they wasnt at
home
Shit mo like this(beep,beep)leave a message after the
tone
Front back side to side in my 64 just cause I rap
everybody see me everybody
start to hit the floor
I be like ugn ugn dog I don,t do that shit no mo
Everybody come on everybody get they jewels and
wallets and shit evrybody get
up of the floor
See I got a benz I can choose either the white or the
black one
Dollar billz I stack um
Hallz full of platnium
Ugh un and ya'll don't want to try to jack son
Last nigga that tried,he died
Wish you could ask him
Use to walk In the bank be like I know he a thief
Now I walk to cash my checks with no I.D.
Everything I drop picture this It got to be sick
Like he ain't far from C.E.O. so that nigga got to be rich
Put It like this every week of the year cop me a six
Do the sports year one year then cop two lottery picks
I'm tryin to ball I could give a fuck what yall got
My motto Is why get a car when I can buy the car lot

(Chorus)

If It don't make dollas It don't make sense
If It don't make dollas then It just don't make sense
If It don't make dollas It don't make sense
I'm bout to represent I'm to get presidents

It's like mo money mo money mo money
No Limit the only way to go know why cause that's
foshow money

(Chorus)1x

I went from, holdup I'm trippin ahhhhhhhhhh oh yea I
know I went from rolex's
to better rolex's
The plane kind to the kind with big head bezel's
Cutlass to benzes to a house on the hill
Worth more than a mill and I still keep It reel
I got more style nigga than haircuts
Let my nuts hang to the floor they bigger than beer nuts
Now you can ask p when you see him he'll tell ya dog
I'm priceless
That's why my jewel's and shit will remain iceless
Now either your with me or against me dog
You didn't like me before you really ain't gone like me
no why I ain't
beginning to ball
I did charge It to the game nigga In less than two
weeks
So I'm a take my time on made man and do It In 3
Now when I rap ya'll gone to have to feel my flow
Other rap niggas make one hit and never hear them no
mo
That could never be me though
Before I stop silk the shocker then turn C-E-O
Money money money that's all I know
I'm trying to figure out I'm trying to have enough to get
all my dogs up out
the ghetto

(Chorus)1x

It's like no money no money no money no limit the on
way to go
Cause that's foshow money

(Chorus)1x

If It don't make dallas then I don't want to make It
If it don't have four or five zero's behind it I don't want
to take It
If it's a lexus why get a three when I can get a four
Why drive a five when I can drive a six
If It's the dope game why buy a once when I can buy a
brick
Instead of buying a four I brought a four five so I can
hide my wrist bitch
See most of my time Is spent up in the air
I'm on a airphone talking down to the mayor
