Damn, it's mad shorty's up in here  
I don't all them just one girl that can do it all  
Yeah I feel what chu' say

(chorus 2x)

Now where them girls that be laid up, gettin' tanned on  
the beach  
Right Here, Right Here  
I like them them girls that be in shape and right in  
petite  
Oh yeah, Oh yeah  
I want a girl to be nice and real sexy  
That's what I'm talkin' bout, Yeah Ma, You comin' wit me  
Oh yeah, Oh yeah

(Verse One)

I like them wearin' G-Strings, The one's that let you see  
things  
One's that call you on the phone, Just to let you hear  
things  
Generous, willingly, giving, you know just wanna share  
things  
Havin' competition, always wanting to compare things  
Like mine is better than just doin' real things  
Beautiful chicks and flicks who like to lick things  
Colorful chicks with hips who like to grip things  
Sneak you in the backdoor, Give you what chu' asked  
for  
Sayin' ya name, lettin' you know that that's yours  
Like the way we creep and duck, Love the way I beat it  
up  
Like the way I speed it up, Just long as her feet is up  
Not from the streets but have a that in her  
Cute but thuggish like have a little brat in her  
Show me when she learn stuff, No when to turn it up  
Never fake, No it take, That's what I'm lookin' for

(chorus 2x)

(Verse Two)

Toe the censure, look her thighs is winter

Told her it was sky's the limit  
And if her back was anything like rims, She'd be ridin'  
20  
Told her she gone look infinty, Plus she gone good in  
Bently's  
Introduce her to the family, Sit next to me at the  
grammy's  
Our life you gone be caked up, You just gone like to  
wake up  
You wannna fight to make-up  
Can't have em' like I hate you, I hate you, I hate you  
I'm tall I'm like em' short to, where they come to my  
chest  
And wit high heels, look, come to my neck  
Got a lot of money in this world, I don't some of it  
Got a lot of girls in this world, but look I only need one  
of em'  
You know the girl who I choose her closet cuddled in  
furs  
Friends like goddam, bitch look at her

(chorus 2x)
