Who to hate
Who to love
Who to worship up above?
Who to trust, and who to see
Who should I aspire to be

Day in day out, indecision, thoughts end with collision

What to think
What to feel
What to share and what to steal
What to do, what to say
What should I just throw away

Questions with no easy reply
Answers I can not deny.

Where to go
Where to hide
Where to lay when I die
Where to go, where to fall
Where to write upon the wall

Day in day out, indecision, thoughts end with collision
Questions with no easy reply, Answers I can not deny.

Traveling through life and it's myriad trials
Tribulations transformations and many thousand miles
It's hard to get it all together as it all goes flying by
Separations speculations, who what where when why?

When to jump
When to shout
When to find a new way out
When to trust and when to stay
When to order or obey

Day in day out, indecision, thoughts end with collision

Why am I and why are you
Why are apes at the zoo?

Why is this
Why today
Why do I feel this way

Day in day out, indecision, thoughts end with collision
Questions with no easy reply, answers I can not deny.
