[Kanye West]

Throw your hands in the sky right now  
(alors on danse)  
Throw your hands in the sky right now  
its going down

[Kanye West Verse 1]

I'm freezing late for the rest of ya'll  
I'm way better than the best of all  
and even though they focus on just the flaws  
this still gonna annihilate the festivals  
still gon sip Dom Perignon  
and still gon eat the filet mignon  
yeah yeah yeah I've been known to cover up my eyes  
at the (?)

[Stromae - Chorus]

alors on danse  
alors on danse  
alors on danse  
alors on (throw your hands in the sky right now)  
alors on....

[Kanye West Verse 2]

flashing lights the stress of life  
its way too much to handle in one night  
live this life like there's no tomorrow  
wake up in Paris with a Russian model  
wave your hands in the sky  
if anybody got 5 dollars in your pocket right now  
I call this club Titanic  
why because it's going down!

[Stromae - Chorus]

alors on danse  
alors on danse  
alors on danse  
Lalalalalala, Lalalalalala,  
Alors on chante  
Lalalalalala, Lalalalalala,  
Alors on chante  
(throw your hands in the sky right now)

[Gilibere Forte]  
Uh, roll call in the club  
life's a b-tch feel her rub  
she be in my mind like a microchip  
I'm ready to blow like nitroglis  
gone gone like a light so trick  
I am on some pyshco shhh  
dancefloor every night my bliss  
fed up with the rub dont bite your lip  
Bon (?) pure gold  
max this out and hear a rose(?)  
bar tender fill it up till I can't remember  
fed up of the hot nights in the winter  
I'mma better my life till we all sit up  
since we are here we are live  
Ye and I make you touch the sky

Lalalalalala, Lalalalalala,
