Two steps
To you
But I can't make them
I'm too small in your reality
I even can feel

The smell
Of your skin
It makes me mad
It seems I've lost my mind
But I still stay so kind

You act
Like queen
And I see at all those eyes
That eats you like you're
Just a peace of pie

Tour hearcut
Your fingers
I feel like maniac
I'm ready to be more than guy
From crowd around

2x
I want you
I need you
But I'm afraid of you
But I'm afraid of you

4x
I want you
I need you
But I'm afraid of you
But I'm afraid of you
