All heavenly angels  
My mind has gone high  
My burning soul  
Just wants to get free

I'm breeding deep  
So can't you see  
I'm turning my wheel  
You're young and sweet  
My young heart screames

She wanna to be free  
Cause I'm eighteen  
And I have a chance  
To get my soul free  
To get my soul free  
To get my soul free  
To get my soul free

Just one more scream  
And I'm gonna die  
This is not a life  
But dealing with fire

I'm breeding deep  
So can't you see  
I'm turning my wheel  
You're young and sweet  
My young heart screames

She wanna to be free  
Cause I'm eighteen  
And I have a chance  
To get my soul free  
To get my soul free  
To get my soul free  
To get my soul free

I'm breeding deep  
So can't you see  
I'm turning my wheel

You're young and sweet  
My young heart screames

She wanna to be free  
Cause I'm eighteen  
And I have a chance  
To get my soul free  
To get my soul free  
To get my soul free  
To get my soul free
