(Verse 1)

(Dr. Dre in background)

[Snoop Dogg] One

Two

Three and to the four

Snoop Doggy Dogg and Dr. Dre is at the door

Ready to make an entrance, so back on up

[Dr. Dre] Before I have to pull the strap out the cut

[Snoop Dogg] Gimme the microphone first, so I can
bust like a bubble

Compton and Long Beach together, now you know you
in trouble

Cause it ain't nothin' but a G thang, baby

Two loc'ed out G's, so we're crazy

Death Row is the label that pays me

Unfadeable, so please don't try to fade this, but, uh
(Hell yeah!)

Back to the lecture at hand

Perfection is perfected, so I'm a let em understand

From a young G's perspective

And before me, dig out a trick, I have to find a
contraceptive

You never know she could be earnin' her man

Learnin' her man

[Both] And at the same time, burnin' her man

[Snoop Dogg] Now what you burnin', I'm a chill for a
minute

Cause ain't no lovin' good enough to get burnt while I'm
in it

[Dr. Dre] Yeah

[Snoop Dogg] And that's realer than Real-Deal
Holyfield

And now you hookers and hoes know how I feel

Well, if it's good enough to get broke off a proper
chunk

I'll take a small piece of some of that funky stuff

Break 1:

[Both] It's like this and like that and like this and uh

It's like that and like this and like that and uh

It's like this and like that and like this and uh

[Snoop Dogg] Dre, creep to the mic like a phantom

[Verse 2: Dr. Dre]

Well, I'm peeping, and I'm creeping, and I'm creepin'
But I damn near got caught
Cause my beeper kept beeping
Now it's time for me to make my impression felt
So sit back, relax, and strap on your seatbelt
You never been on a ride like this before
with a producer who can rap and control the maestro
At the same time with the dope rhyme that I kick
You know, and I know
I flow some ol' funky ssshhh (Yeah)
To add to my collection
The selection
Symbolizes dope
Take a toke
But don't choke
If you do
You'll have no clue
On what
Me and my homey Snoop Dogg came to do

Break 2:

[Both] It's like this and like that and like this and uh
It's like that and like this and like that and uh
It's like this
[Dr. Dre] Then we ain't got no love for those
[Snoop Dogg] So just chill
Til the next episode

{*Dr. Dre scratching funk beats*}

[Verse 3: Snoop Doggy Dogg]

Fallin' back on that ass
With a hellafied gangsta lean
Gettin' funky on the mic like a old batch of collard
greens
It's the capital S, oh yes, I'm fresh, N-Double O-P
D-O-Double G-Y, D-O-Double G, ya see
Showin' much flex when it's time to wreck a mic
Pimpin' hoes and clockin' a grip like my name was
Dolomite
Yeah
And it don't quit
I think they in the mood for another one of those G hits

[Snoop Dogg] So Dre

[Dr. Dre] What up, Dogg?

[Snoop Dogg] We gotta give 'em what they want

[Dr. Dre] What's that, G?

[Snoop Dogg] We gotta break 'em off somethin'
[Dr. Dre] Hell yeah
[Snoop Dogg] And it's gotta be
Bumpin', city of Compton

[Verse 4: Dr. Dre (Snoop Doggy Dogg)]
It's where it takes place, so when asked, yo' attention
Mobbin' with Tha Dogg Pound (Bow wow wow)
Droppin' the funky tracks that's makin' the suckers just
mumble
When I'm on the mic, it's like a cookie, they all crumble
Try to get close, and your bound to get smacked
My little homey Snoop Doggy Dogg has got my back
Never let me slip, cause if I slip, then I'm slippin'
But if I got my nina, then you know I'm straight trippin'
And I'm a continue to
Put the rap down, put the mack down
And if you women talk trip
I'll have to put the smack down
Yeah
And ya don't stop
I told you I'm just like a clock, when I tick and I tock
But I'm never off, always on, to the break of dawn
C-O-M-P-T-O-N, and the city they call
Long Beach
Puttin' it straight together
Like my homey D.O.C.
"No One Can Do It Better"

[Both] Like this, that and this and uh
It's like that and like this and like that and uh
It's like this
[Dr. Dre] Then we ain't got no love for those
[Snoop Dogg] So just chill
Til the next episode
