Problematic!  
Get Problematic!

(Oh my goodness,  
It's all gonna come to a head...)

Come on Fhqwghads  
I said come on Fhqwghads  
Everybody to the limit, everybody to the limit  
Everybody come on Fhqwghads  
Said come on Fhqwghads  
I said come on Fhqwghads  
Everybody to the limit, who's that? He's to the limit  
Everybody come on Fhqwghads

Comne on Fhqwghads,  
I see you jockin' me!  
Try'n'a play like  
You know me  
No way man,  
I'm not gonna play those games  
Mind games  
Board games

I'm like come on Fhqwghads,  
I said come on Fhqwghads  
Everybody to the limit, The Cheat is to the limit  
Everybody come on Fhqwghads  
Said come on Fhqwghads,  
Said come on Fhqwghads  
We got to break it all down, got to break it all down,  
Got to break it all down, come on,  
One time!

(Whoa, pretty good job of breaking it down there guys.)

(All right, I'm gonna need y'all's help.  
We gotta make 'em hear us in East Reykjavik.  
On the count of three, sing along with me.  
One-two-three! I said)

Come on Fhqwghads, said come on Fhqwghads  
Come on Fhqwghads, said come on Fhqwghads  
Come on Fhqwghads, said come on Fhqwghads  
Come on Fhqwghads, said come on Fhqwghads

I said ooh, aah, Fhqwghads,  
Said ooh, aah, Fhqwghads  
I said a who's that fo-hoo-hoo-hooqwa what?  
I said a who's that Fhqwghads?

Now I don't know who it is  
But it probably is Fhqwghads  
I asked my friend Joe, and I asked my friend Jake;  
They said it was Fhqwghads!

Said come on Fhqwghads  
Said come on Fhqwghads  
Everybody to the limit, it's me, I'm to the limit  
Everybody to the limit, the lim-a lim-a limit!

The lim-a lim-a limit!  
(Ooh, I like that.)  
Limit, a lim-a limit!

(Man, Fhqwghads,  
You're making yourself look pathetic.  
Makeup splashed all over your face,  
People are just gonna feel sorry for you.  
I mean, I DO.)

Ooh! Somebody say "Trogdor!"  
(Trogdor!)  
Say "Burninate!"  
(Burninate!)  
The Cheat is overwhelmed!  
(The Cheat is overwhelmed!)  
Once again, The Cheat is overwhelmed!  
(THE Cheat is OVERWHELMED!)  
Mmm!

(And I'm out...)
