Hey Strong Bad! What's up?
Can you play the guitar?

Derrek Highet, Northern California

a> Hey Derrek! Not much, man. Yeah I can play the guitar! I know all about virtuosos, and trembalos, and arpeggios, I can do it all! I can play your basic rhythm guitar, like:

jug jigga jug jigga jug jigga JAH JAAH! jiggity jug jigga jug jigga JAH JAAAH!

You know, something like that. I can also play some pretty hot lixx, too. You know, when you're way up high on the tiny strings, and you mash your fingers on 'em meedley meedley meedley meedley meedley meedley meedley meedley MEEEEEE!!!

Yeah, yeah and then Strong Mad comes in on his bass and he's like

dou dou dou dou dou dou dou dou dou dou dou dou dou dou dou

And then the Cheat comes in on his keyboard and he's like

boop boop boop boop boop boop boop boop boop boop boop boop

And I'm like

And the dragon comes in the

NNNNNNIIIIIIIIHHHHHHHHHGGGGGGGGTTTTTTTTTTTT!!!!!!!!!!

!

Strong Bad falls off of his chair. He hold a lighter up and starts to burn The Paper

Oh yeah! The greatest hit, baby!

END

Comment: If you want to see this email (or any of the other retarded ones), go to From there, the option to watch the intro comes up. Ignore it, and find the button that says 'SB Emails' underneath the picture. Click on it, and scroll down until you find 'guitar'.
