Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

Oh, can't you see
You belong to me
How my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone I been lost without a trace
Then at night I can only see your face
I look around but its you I can't replace
I feel so cold and I long for your embrace
I keep a-callin' baby, baby, please...

Oh, can't you see
You belong to me
How my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Every move you make

Every step you take
I'll be watching you!
