to approach me and said hi,

why when i meet a guy,
it's always tha same old show,
tellin me where he's been,
and where he's gonna go,

just cuzz a girl is good,
don't mean she's about the doh,
i pay for my own bills,
i dont need yo cash flow,

chorus:

Hoe, yo fancy cars just for show,
but you know that no means no,
so take that bling bling and go,
cuzz i aint gonna be that HOE!(x2)

just a few simple rules,
if you wanna impress me,
stop tryna play tha rules of mr.bently,
i wanna a guy thats got sumthin smart to say,
not just a little boy who hides behind monay,

cuzz it aint about tha benz and tha ice,
and all that shines,
you coulda had me and known me,
and found out what was on my mind!

chorus:

Hoe, yo fancy cars just for show,
but you know that no means no,
so take that bling bling and go,
cuzz i aint gonna be that HOE!(x2)

(i aint,gonna be that hoe,ya know,i aint gonna be that
hoe,
ya know,i aint gonna be that hoe,ya know,i aint gonna
