here i am today it seems i'm stoned once again  
wait for the people and things that ruin my day  
as i sit away and take another hit i smoke another bong  
load and it seems i'm really lit  
talk about the things that no one ever wants to hear  
talk about the things in life that seem so unreal as i sit  
away  
and take another hit i smoke another bong load  
and it seems i'm really lit hey i can't take no more of it,  
now i'm stoned. these highs never last so i can never  
hear the phone  
rather sit here and think about these things here all  
alone as i sit away,  
i take another hit, i smoke another bong load  
and it seems i'm really lit hey i can't take no more of it,  
now i'm stoned. now life is so cold once again, now i'm  
stoned.  
so stoned. woowowow.
