When she's on her best behaviour

Don't be pretended by her favour

Never turn your back on mother earth

Towns are hurled from a to b

By hands that looked so smooth to me

Never turn your back on mother earth

Grasp at straws that don't want grasping

Gaze at clouds that come down crashing

Never turn your back on mother earth

Three days and two nights away from my friends

Amen to anything that brings a quick return

To my friends

To my friends

Never turn your back on mother earth

I'll admit i was unfaithful

But from now on i'll be more faithful

Never turn your back on mother earth

Never turn your back on mother earth

Never turn your back on mother earth
