Neeeed man, Neeeed Man, Does Whatever a neerd
can,
Makes a site, Any Size,
Knows Some Digits Oooof Pi,
LOOK OUT,
Here comes the neeeerd maaaaan

Is he strong?
Dear god no!
Finds new ways to pimp out his phone,
Most of his things lost under his bed,
He knows all the different shades of red,
HEY THERE
Here comes a Neeerd Maaaaan

In the chiiiiiiiill of night,
At his computer screen,
There's a flassshing light,
At which he screams

Neeerd Man, Neeerd Man,
Ultra Geeky Neeerd Man,
The Sun And Light is ignored,
All he needs is an extension cord,

LOOK OUT,
There goes a Neeerd Maaaaan

Neeerd Man, Neeerd Man,
Ultra Geeky Neeerd Man,
The Sun And Light is ignored,
All he needs is an extension cord,

He calls the girls who haaaang up,
Whenever His Thaaaang's up,
You'll find the neeerd maaaaan.
