Take a look around  
Won't ya tell me what you see?  
Is there love to be found  
In this world's pain and misery?  
Tell me, will it ever change?

All for one and one for all  
Isn't that the way that it should be?  
Will we ever change this world?  
United we will stand up tall  
United we will never fall  
If it's all for one and one for all

Days are going by  
It's up to you to make a start  
Before this world of ours turns  
To dust and falls apart  
Right now I know we can make a change

All for one and one for all  
Isn't that the way that it should be?  
Will we ever change this world?  
United we will stand up tall  
United we will never fall  
If it's all for one and one for all

All for one and one for all  
Isn't that the way that it should be?  
Will we ever change this world?  
United we will stand up tall  
United we will never fall  
If it's all for one and one for all
