I was born to rock and I'll give it all I've got
I'm sure these boys will say the same
We're rockin' for the rock and I know we'll never stop
And we will never be ashamed, no

We're here to rock for you an' rock is what we'll do
Until your body feels the sound
So don't be afraid to shout 'cause that's what it's all
about
We've got to spread it all around

C'mon rock, rock, rock
C'mon never stop
C'mon rock, rock, rock
C'mon never stop

It's catching on so fast, we've got to make it last
But we can't ever lose the key
That opens all the doors and that keeps us wanting
more
It's all up to you and me

So, let's give it all we've got until we reach the top
Together we can make the stand
'Cause we're here to rock for you and rock is what we'll
do
C'mon and help us rock the land

C'mon rock, rock, rock
C'mon never stop
C'mon rock, rock, rock
C'mon never stop

C'mon rock, rock, rock
C'mon never stop
C'mon rock, rock, rock
C'mon never stop

C'mon rock, rock, rock
C'mon never stop
C'mon rock, rock, rock
C'mon, c'mon
