#### Verse 1

Let's join together and make a stand  
Let's make a change throughout our land  
Renew our bodies, spirits, minds and hearts  
It's up 2 U to make a start

#### Chorus

Come on everybody  
Put your hands up in the air  
Just move to the rhythm  
Join in people everywhere

#### Verse 2

There is an answer for these troubled times  
Together we can make it right  
Renew your body, spirit, mind and heart  
It's up to you to make a start

#### Repeat Chorus
