## Verse 1

I want to sing some other way  
Always the same, never a change  
What can I do to make me feel right  
Change all my ways, give up my life

## Chorus

Oh - What did you say?  
Oh - Christ is the way  
Rockin' for the One who is the Rock

## Verse 2

I feel His strength come into me  
Reading His word helps me to see  
I feel so new, I want to sing  
Feeling His joy in everything

## Chorus

Oh - What can I say?  
Oh - Christ is the way  
Rockin' for the One who is the Rock  
Rockin' for the One who is the Rock
