I wish
Hey when we met that day
I was thinking that I wanted
To know you
Hey we had so much to say
I was thinking i wantd to
Go with you
Oh i..never felt this
Way before
Oh i..never wanted
Anyone more
But some where there's a
Lucky star
Listening to my heart
(chorus)
I wish
Everynight when i close my eyes
I wish
I was your and you could be mine
I wish
Mor than anything at the
Top of my list
And i hope that one day
"i love you" you'll say
That is
What i wish what i wish
Hey when i'm all alone
I dream about you constantly
Hey don't you know everyone knows
I've fallen for you hopelessly
Oh i..wonder how
You'd react baby
But if i kissed you would
You kiss me back
Somewhere there's a
Luck star
Listening to my heart
(chorus)
I believe if you wish
Hard enough
You never can tell

I'd even throw a penny down
Into a wishing into a
Wishing into a wishng well
