What would it take for things to be quiet?
Quiet like the snow
And I know this isn't much, but I know I could be better
I don't think I deserve it
Selflessness, find your way into my heart
All stars could be brighter
All hearts could be warmer
What would it take for things to be quiet?
Quiet like the snow
Are we meant to be empty handed
I know I could be better
I don't think I deserve it
Selflessness, find your way into my heart
All stars could be brighter
All hearts could be warmer
What would it take for things to be quiet?
What would it take for things to be quiet?
What would it take for things to be quiet?
