What's up Fresh, it's our turn baby

Gator Boots, with the pimped out Gucci suit
Ain't got no job, but I stay sharp
Can't pay my rent, 'cause all my money's spent
But that's OK, 'cause I'm still fly

Gotcha car play gems on shine, said its mine, get a
mink, baby girl lets ride
You da Numba 1 stunna, and we gonna glide
And go straight to the mall, and turn out the inside
Prowler Gucci full length leather, Burbons cooler, Coogi
sweater
Twenty inches pop my feather
The Bird man daddy I fly in any weather
Alligator seats with the head in the inside
Swine on the dash, G-Wagon so Fly
Numba 1 don't tangle and twisle
When it come to these cars I am that fella
The Gucci with the matching interior
3 wheel ride with the tire in the middle
Its Fresh and stunna and we like brothers,
We shine like paint daddy this our summer

Gator Boots, with the pimped out Gucci suit
Ain't got no job, but I stay sharp
Can't pay my rent, 'cause all my money's spent
But that's OK, 'cause I'm still fly
Got a quarter tank gas in my new E-class
But that's alright cause I'm gon' ride
Got everything in my mamma's name
But I'm hood rich da dada dada da

Have you ever seen the crocodile seats in the truck?
Turn around and sit it down and let em' bite ya butt
See, the steering wheel is Fendi, dashboard Armani,
With Your baby momma playa is where u can find me
Pushing through the parking lot on 24's
Cadillac Escalade with the chromed out nose
With the navigation arrow headed straight to Ihop
Aunt Jemima really loves me 'cause my syrup is so hot

Put the Caddy up, Start the 3 wheel Benz
Hyper white lights, ultra violet lens
Sumitomo tires and they gotta be run flat
T.V. where the horn go, boy can you top that?
I'ma show you some rookie press that button
The trunk went, and all of a sudden
4 15's didn't see no wires,
And then I heard boom from the amplifiers

[Breakdown]

Let me slide in the Benz with the fished out fins
Impala Loud pipes, bringin' the mayhem
It's the birdy birdy man I'll do it again
In the Cadillac truck 24's with 10's
Looking at my Gucci it's about that time
6 rad dudes flying in at 9
New Suburban truck with the paint job showin'
Black and white and red and gold
Bodies on the Roadster Lexus you know with that hard
top beamer
Momma that's your truck
I'm coming up the hood been lovely
New soap in the tub and I wake up the bubbley
430 Lex with convertible top
The rims keep spinning every time I stop
I got a superman Benz that I scored from Shaq
With a old school Caddy with a diamond in the back

Gator Boots, with the pimped out Gucci suit
Ain't got no job, but I stay sharp
Can't pay my rent, cause all my money's spent
But that's OK, cause I'm still fly
Got a quarter tank gas in my new E-class
But that's alright cause I'm gon' ride
Got everything in my mama's name
But I'm hood rich da dada dada da
