Dear tomorrow  
Find some sensibility  
Respond to emotion  
Dear politician  
Define sagacity

One after another, nobody stands  
Behind the ones they have chosen  
One after another, nobody stands  
Behind the ones they've selected

Nobody stands behind the nation they've selected  
All chances of survival are beginning to...  
Beginning to diminish  
Comedy is no excuse for our own blasphemies  
Mass media  
Mass pessimism  
Mass denial  
My television tells me to panic,  
But I don't think I'll listen  
The apathetic force us to preserve  
The apathetic, with their backwards priorities  
If only the strongest of stone was not necessary

One after another, nobody stands  
Behind the ones they have chosen  
One after another, nobody stands  
Behind the ones they've selected

Nobody stands behind the nation they've selected  
We could build a monument for memory:  
Liberation includes failure  
Your rebellion is ruthless  
So be angry at yourself  
If only we did not deserve this  
Your rebellion is resultless  
So be angry at yourself  
If only we did not deserve this  
Your rebellion is resultless  
So be angry at yourself
