As I look at the valleys down below  
They are green just as far as I can see  
As my memories return, oh how my heart did yearn  
For you and the days that used to be

High on a mountain top, standing all alone  
Wondering where the years of my life have flown  
High on a mountaintop, wind blowing free  
Thinking about the days that used to be

Well, I wonder if you ever think of me  
Or has time erased your memory  
As I listen to the breeze whisper gently through the  
trees  
I wonder if you ever think of me

High on a mountain top, standing all alone  
Wondering where the years of my life have flown  
High on a mountaintop, wind blowing free  
Thinking about the days that used to be  
High on a  
mountain top, standing all alone  
Wondering where the years of my life have flown  
High on a mountaintop, wind blowing free  
Thinking about the days that used to be

High on a mountain top  
Thinking about the days that used to be  
And I wonder if you ever think of me
